Dance as a sport is fast growing in popularity within schools across the uk, it allows young people to be active and interactive, engaging their bodies and minds! **DancED** workshops encourage children to explore their basic physical abilities and safely push boundaries, developing their co-ordination, control and movement skills.

The workshops support and extend popular curriculum topics across KS1 and KS2 and content can be tailored to reflect any chosen topic, e.g. **The Great Fire of London, World War 2, Africa, The Solar System, Toys Past & Present** and **much more!**

“ **The workshop was a fantastic way of linking our class learning to our PE** ”
